Hello,

I hope this finds you all very well. I want to keep you updated on a few current events happening in our LVMA.

Southwest Veterinary Symposium (SWVS) will be held September 20-23, 2018 in San Antonio, Texas. It is a great conference that offers a large variety of CE, plenty of wet labs, a large exhibit hall, and outside family fun in a great city.

LVMA winter meeting will be held in Lafayette February 8-10, 2019. Save the Date!!! Please be thinking about nominations for the awards presented at our 2019 meeting.

I hope you all read the “McHughes Minutes” that recently came to you in an email. We are following some legislative changes in the current special session that could possibly affect veterinary medical practice. The LVMA board of directors and our political action committee stays in close communication with our representatives, senators, congressmen, and lobbyists to make sure that any changes recommended or laws that are presented are in veterinarians’ best interests. Make sure that your membership is up to date and all email addresses are current by visiting lvma.org.

School will be back in session very soon, meaning that parents may get a slight break from the summer bustle. Sean and I have 3 boys that keep us so busy. I just always remind myself, “parenting is paradise!”, Right? (Chuckling)

Sincerely,
At Southern Veterinary Eye Care we are committed to providing the highest quality veterinary ophthalmic care to our patients in a compassionate environment, while keeping our clients and referring veterinarians well informed during the treatment process.

WITH A LITTLE HELP FROM MY FRIENDS…(song by Lennon and McCartney)

As the summer winds down, partners and friends of the LVMA and Louisiana veterinarians are looking for a little help from their friends...

Two very important events are coming in Fall…..the Southwest Veterinary Symposium in San Antonio, September 20th – 23rd and Mike Strain’s Fall Ball at the Old Governor’s Mansion on October 18th. Don’t miss either of these great events. Tickets for the Fall Ball start at $500 per couple and are available online at www.mikestrain.org. You may also print a registration form from the website and mail it in if you prefer. This is a fundraiser for Commissioner Strain’s campaign and I highly recommend that the room be packed with veterinarians and their spouses in support of the strongest voice veterinary medicine enjoys in the Louisiana Legislature and halls of government. Dr. Strain is an advocate and defender of the veterinary profession and his continued service is good for both the State and veterinarians!

Speaking of a little help, by all accounts, the LVMA’s endorsement of credit card payment processor TMG Vets is helpful and paying off for all concerned. Be sure to visit page 8 of this newsletter for LVMA business alliance solutions providers.

It will be time to register for the Winter Meeting very soon, so be on the lookout for registration emails and brochures in September! The Winter Meeting is LVMA’s premier annual event and a great opportunity for veterinarians to gather and stay in touch with each other.

Stay well and stay connected!

Bland
