Dear LVMA Members,

Well, friends and colleagues, my term as LVMA president is approaching its end. Let me start by thanking each of you for joining the LVMA and being apart of this amazing association. I am so grateful to our Board of directors and our association management team. Through our efforts this year, our association was alert and responsive to all legislative matters that were brought to our attention that could have impacted our profession.

The LVMA Winter Meeting is all set for the Astor Crowne Plaza in New Orleans on January 28th-30th. We have another excellent conference planned with a wonderful lineup of speakers. I hope you all plan to attend. For any information in regards to the Winter Meeting please do not hesitate to reach out to your district representative or LVMA office/website. We continue to monitor the local ordinance changes/requirements with regards to COVID-19.

Positions are still available for our Power of 10 program. If you are a recent graduate and want great experience in developing leadership, communication, and business skills then this program is for you. Please contact your district representative or the LVMA Office to get registered for the program.

I have much to be thankful for as we enter the holiday season and close out the year 2021. Family. Health. Faith. Veterinarians. I didn’t always know that I wanted to be veterinarian, despite having grown up in a family of them. In fact, I can remember a time when I was really young and walking into our clinic barn to find my father palpating a mare for pregnancy. He looked at my shocked face with a smile and asked, “you sure you want to be a veterinarian”? I took the time I needed to evaluate my other career interests before finally coming to the decision that the veterinary profession would be it for me. All veterinarians are heroes in my mind, and this profession has provided sustenance and fulfillment for me all of my life. These practice days may not always be easy, but I have learned to love every moment of it. Every year I grow more and more with my successes and failures. Also, learning and training my mind to see the good in any situation has brought about such personal growth for which I will be eternally grateful. So, thank you to this brilliant profession and the veterinarians that serve it.

In closing let me tell you what a tremendous honor it has been to serve this association. I will always be devoted to this profession, and although my time on the board is coming to an end, there will never be a day that I stop fighting for veterinarians.

Please help me in offering best wishes to Dr. Kathleen Elstrott Achord as our next President, who will undoubtedly be an outstanding leader for our association.

I hope and pray this holiday season brings you nothing but joy and happiness. Thank you for reading.

Sincerely,

Jesse Brandon, DVM
President, LVMA
Executive Director’s Report

Here we are – closing out 2021 and bringing in 2022. I am excited to see what the new year will bring and thrilled that the beginning of the new year will start off with the LVMA Winter Meeting at the Astor Crowne Plaza, January 28 - 30, 2022! Pre-registration is still open…..don’t delay, register today! The Dental Lab on Sunday is quickly filling up so be sure to register soon.

We are asking those who plan to attend the Veterinarian Business Meeting and Awards Luncheon to please purchase a ticket for that event when registering for the meeting. A limited number of tickets will be available on site. Tickets are only $5 for veterinarians and this will allow us to plan more effectively for the correct number of attendees. Be sure to visit us online (www.lvma.org) for more information and book your hotel early under the LVMA group block for discounted rates. See you in New Orleans!

Please note LVMA will not be imposing any additional COVID-19 restrictions but only following those put in place by local governmental agencies which can be found at www.lvma.org.

LVMA dues statements for 2022 have been mailed at least once. They include optional voluntary contributions to the Dr. Walter J. Ernst, Jr. Veterinary Memorial Foundation (“the Foundation”) and the LVMA Political Action Committee (PAC). Contributions to the Foundation are deductible as charitable contributions. Contributions to the PAC are not deductible for federal income tax purposes. Feel free to strike out the suggested amount and replace it with a larger contribution than suggested!

The Foundation has been busy in providing funds to those in the veterinary community impacted by Hurricane Ida – your contributions are going to those most in need and are greatly appreciated.

I look forward to seeing you all next month and wish you all a joyous holiday season,

Melanie Talley, CAE
Executive Director
Walter J. Ernst, Jr.
Veterinary Memorial Foundation

Thanks to the following people, clinics, and all past contributors, the Dr. Walter J. Ernst, Jr. Veterinary Memorial Foundation continues to grow. Your continued support will help the Foundation to reach new heights. Please Consider a contribution today and encourage your clients to participate in our memorial program.

About the HPFL

The Healthcare Professionals’ Foundation of Louisiana is a non-profit organization that provides confidential services to various licensing boards and licensees in the healthcare industry. We are a voluntary advocacy and monitoring program that allows healthcare professionals with impairments or in need of medical treatment to avoid formal disciplinary actions by their licensing boards and obtain remediation in order to practice with skill and safety. Our main goals are to facilitate care to the licensees and improve efficiency to the licensing boards.

Services the HPFL Provides

Advocacy
We advocate and act as a liaison on the professional’s behalf with employers, insurance carriers, and other state monitoring programs.

Education
Through our process licensees are provided psychoeducation regarding impairments, and the HPFL staff present information around the state to notify and educate licensees about our program.

Monitoring
Participants in our program have their compliance certified through screening, therapeutic treatments, and communication with the HPFL medical director and case managers.

Referrals
The HPFL receives referrals from multiple sources including but not limited to hospitals, colleagues, the LVBM, office staff, treatment centers, family, or friends. If you suspect impairment or have concerns for his/her safety or the safety of patients or employees, please contact us. Early intervention could save someone’s life. In addition, we encourage self-referrals. If you are in need of assistance, please do not hesitate to call. Any professional who has not been treated or monitored previously by the HPFL can be a participant in the HPFL with a level of confidentiality.

LAURA’S Plan

Individual thinkers deserve individual business insurance.

Your veterinary practice is as individual as the patients you treat, so don’t settle for a one-size fits all business insurance plan. You deserve a plan custom designed to address your specific needs.

American National agents will help you build a tailored plan, including specialty coverages that address the needs of vets, such as:

- Professional Liability
- Animal Bailee
- Mobile Equipment

With a coordinated array of insurance coverage for business and family, we can service your insurance needs.

Visit an.insure/vet to contact an agent near you.

American National is a group of companies writing a broad array of insurance products and services. Products and services may not be available in all states. Terms, conditions and eligibility requirements will apply. Property and casualty products and services may be underwritten in Louisiana by ANPAC Louisiana Insurance Company or American National General Insurance Company, both of Springfield, Missouri.
No practice is totally free from accidents, animal damage, or broken equipment. When risk strikes, are you prepared?
