Dear LVMA Members,

Registration is now open for the LVMA Winter Meeting on February 10-12, 2023 in Lafayette, LA! We look forward to another great weekend of continuing education and networking.

I was honored to speak on behalf of the LVMA at the LSU School of Veterinary Medicine Blue Coat Ceremony. The newest class of future veterinarians is the largest and most diverse to date. The LVMA is proud to sponsor the coats for this ceremony each year.

It was wonderful to see so many Louisiana veterinarians at the Southwest Veterinary Symposium in Fort Worth, TX. Already looking forward to returning to San Antonio on September 21-24, 2023!

For the first time, the LVMA hosted a mixer with LSU SVM SCAVMA. LVMA Board Members and members enjoyed pizza and beer with current students. The students were very engaging and we look forward to continuing this event. Cultivating future leaders for our organization is vital to our continued success.

I hope everyone is enjoying an exciting LSU football season and the upcoming holidays. Personally, I am looking forward to a brief reprieve from “kitten season” in the world of shelter medicine.

Kathleen Elstrott Achord, DVM
President, LVMA

Executive Director’s Report

As we close the year out, I am excited to what the new year will bring and am honored to continue to serve this respected profession. It is truly a privilege to serve the veterinarians of Louisiana – thank you for the opportunity.

To update you on the activities of the association, the Board had the chance to network with students at LSU Vet Med in November at a reception hosted by the LVMA. Board members were able to provide students their own take on the value of LVMA membership and encourage the students to become active in the association. In case you didn't know, STUDENT MEMBERSHIP IS FREE! We encourage all students to join the LVMA to get insight on the profession at the state level. This was a great event and we hope to continue these in the future. We hope to see you at the next one!

As a reminder, registration is open for the LVMA Winter Meeting in Lafayette - February 10-12, 2023. Please check out the schedule & other information at www.lvma.org.

We encourage all members to attend the Veterinarian Business Meeting and Awards Luncheon but ask you please purchase a ticket for that event when registering for the meeting. A limited number of tickets will be available on site. Tickets are only $5 for veterinarians and this will allow us to plan more effectively for the correct number of attendees.

LVMA dues statements for 2023 have been mailed and are available for renewal online at www.lvma.org. The renewal includes optional voluntary contributions to the Dr. Walter J. Ernst, Jr. Veterinary Memorial Foundation (“the Foundation”) and the LVMA Political Action Committee (PAC). Contributions to the Foundation are deductible as charitable contributions. Contributions to the PAC are not deductible for federal income tax purposes. Feel free to strike out the suggested amount and replace it with a larger contribution than suggested.

I look forward to seeing you all in Lafayette and wish you all a joyous holiday season,

Healthcare Professionals’ Foundation of Louisiana (HPFL)

About the HPFL
The Healthcare Professionals’ Foundation of Louisiana is a non-profit organization that provides confidential services to various licensing boards and licensees in the healthcare industry. We are a voluntary advocacy and monitoring program that allows healthcare professionals with impairments or in need of medical treatment to avoid formal disciplinary actions by their licensing boards and obtain remediation in order to practice with skill and safety. Our main goals are to facilitate care to the licensees and improve efficiency to the licensing boards.

Services the HPFL Provides

Advocacy
We advocate and act as a liaison on the professional’s behalf with employers, insurance carriers, and other state monitoring programs.

Education
Through our process licensees are provided psychoeducation regarding impairments, and the HPFL staff present information around the state to notify and educate licensees about our program.

Monitoring
Participants in our program have their compliance certified through screening, therapeutic treatments, and communication with the HPFL medical director and case managers.

Referrals
The HPFL receives referrals from multiple sources including but not limited to hospitals, colleagues, the LVBM, office staff, treatment centers, family, or friends. If you suspect impairment or have concerns for his/her safety or the safety of patients or employees, please contact us. Early intervention could save someone’s life. In addition, we encourage self-referrals. If you are in need of assistance, please do not hesitate to call. Any professional who has not been treated or monitored previously by the HPFL can be a participant in the HPFL with a level of confidentiality.
